PROFILE

4th-year Computer Science student with a strong passion for continuous learning and tech exploration. Equipped with expertise in various programming languages, I'm dedicated to excelling in the field and eager to connect with fellow professionals and explore new opportunities.

EMPLOYMENT HISTORY

Call Center Representative, Telus International

Quetzaltenango

Jul 2019 — Dec 2019

While working at Telus International as a FedEx Call Center Representative, I consistently delivered exceptional customer service, adeptly handling inquiries and upholding the FedEx brand with a strong sense of professionalism.

EDUCATION

Computer Science, Universidad del Valle de Guatemala

Guatemala City

Jan 2020 — Present

I am currently pursuing my Computer Science degree at Universidad del Valle de Guatemala, consistently achieving academic excellence with honors. Each year, I have received academic distinctions for maintaining an outstanding average of over 90 points, reflecting my commitment to excellence and dedication to mastering the field of Computer Science.

PROJECTS

Connect 4 AI

This project was developed as a final project for the course "Introduction to AI." The objective was to create an AI capable of playing Connect 4. In a culminating tournament on the last day of the course, my AI emerged as the champion, securing first place. <https://github.com/javim7/Connect4-AI>

Streaming Service

Guatemala City

Streaming service using React as front-end, Nodejs with Express as back-end, and MySQL as our database. <https://github.com/her20053/Proyecto-2-BD>
